

■ Features:

- High impedance and excellent frequency characteristic.
- Low magnetic flux leakage. agrees with its impedance characteristics.

■ Applications:

- Power switching, TV game, Monitor, Car recharger, etc.
- Design as Customers Requested Specifications.

■ Parts code:

**CM98U**

Flic No.

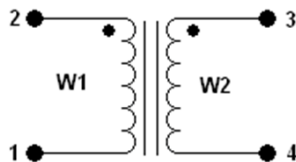

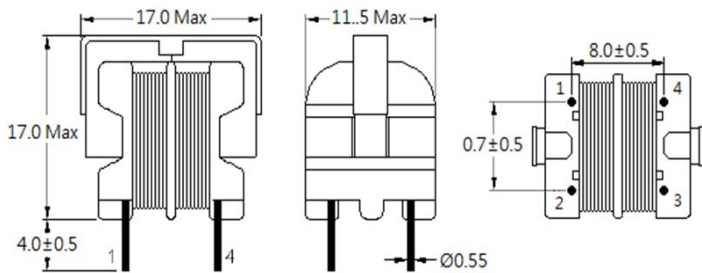

**H**

Horizontal

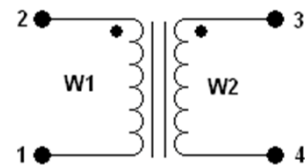

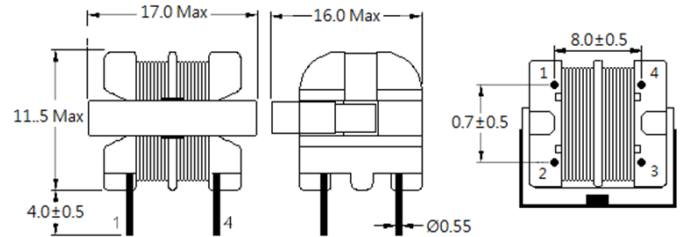

**103**

Inductance code

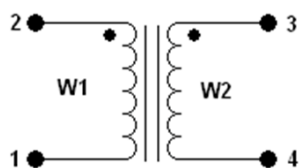

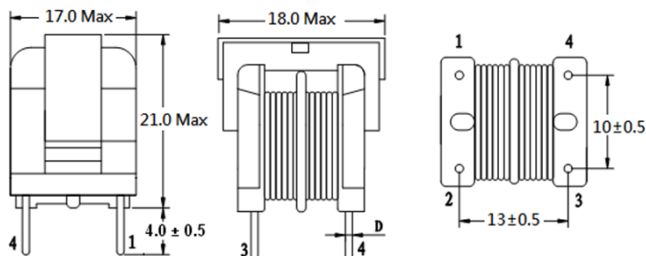

■ CM98U

■ CM98U-H

■ CM105U

■ CM105U-H
